## Bird's Eye View of the Week

January 7-11, 2019

- **Language Arts:** This week we will be learning the letter Ff. We reviewed Aa, Mm, Ss, Pp, Tt, Ii and Cc, Oo, Hh and Nn!
  - **Math:** We will be learning the number 6 this week. We are still working on Patterns...ABAB, ABBABB, AABAAB, ABCABC! We are also reviewing reading, counting, and writing numbers 0-5!
  - **Social Studies/Science:** We will begin our unit on Where in the World starting this week with what planet we live on!
- Special:** Thank you all for the nice holiday gifts and special Winter Party for our class! Hope everyone had a restful and family filled Winter Break!

### What's Happening in the Nest

Letter - Ff

Number - 6

Math - Review Patterns  
and 0-5

Color - Purple

Social Studies/Science -  
Where in the World?

### Social Studies & Science

We will begin our study of Where in the World? We will start with what planet we live on, continent, country, state, and finally what city we live in!

## Soaring Through Our Week

Monday	Tuesday	Wednesday	Thursday	Friday
Messy Monday Computers	Ff Workshops Library We don't have books this week!	Ff Workshop PE Proper shoes!	Ff Workshops Music	Ff Workshops PE Proper shoes!

### Happy New Year!

We will be back on a regular schedule beginning this week with a letter and number each week! We will also begin share and Pete the Cat again this week. Because I wanted to start fresh, I am sending home in the Friday Folder all work prior to the break! If your child has unfinished work in the Friday folder, please have them complete it as a homework idea!

**Have great week!**
